

2020 – Daycare II & IV

As we continue to plod through the winter, we will be keeping warm with busy-ness this month! We will go over dental hygiene to show the children how to take good care of their teeth with our special guest, Mrs. Mulando! We will also have our Valentine's Day party, we will talk about Black History, our Presidents, and Ground Hog day! **If you would like to give out Valentine's cards, see your child's teacher for a list of names.** The letters that we will cover this month are Q-S, and review of numbers 3-8. Thank you for working on paperwork that we send home for you to work on with your student. Your reinforcement at home helps so much in your child's progress at school! Please continue to work with them on being more independent as far as being able to put on their own coats, clothes, and shoes, following 3-4 step directions, and focusing. We will be sending home progress reports during the first week of February. We encourage you to look them over and see where your child's learning is at. Please feel free to speak with us if you have any questions or concerns. We are doing a fundraiser this month called, **"Pennies for Patients."** It is for help with medical expenses for children with Leukemia & Lymphoma. Your child will each get their own baggie to put coins or dollars in to bring back and dump into our large collection container. You can refill the bags and bring them in as often as you can! Ask Grandma, Grandpa, or any other family members for help! We can win a pizza party or an ice cream party at the end of the month if we collect the most! We appreciate any help you can give! There is **NO** Preschool from February 17-21, due to winter recess for President's week, the Daycare will be **OPEN**. Lastly, please bring your children to preschool on time. We start our learning time at 9 am each morning. Thank you! Welcome to our new students in DC IV: Amelia T, and Joseph F.

SPECIAL EVENTS & REMINDERS -
